

## Workshop on Advances in Methods of Information and Communication Technology (AMICT'2019)

We are glad to invite you to participate in the Annual International Workshop on Advances in Methods of Information and Communication Technology (AMICT'2019). The workshop is a result of the long-term cooperation between the Computer Science departments of the University of Helsinki and Petrozavodsk State University. From 1994 the workshop was entitled "Finnish Data Processing Week (FDPW) at the University of Petrozavodsk". Since 2006 it is renamed to AMICT. Programs of the previous workshops are available at <http://www.cs.karelia.ru/fdpw/index.php.en>.

This year AMICT will be held within scope of the 25th IEEE FRUCT conference in Helsinki, Finland, on **5-8 November 2019**. The main conference call for papers is available at page: <https://www.fruct.org/node/374544>.

If you don't know about FRUCT we advise to check the last FRUCT program to get impression on the conference level, scale and quality: [https://www.fruct.org/sites/default/files/files/conference23/FRUCT23\\_Program\\_v1.pdf](https://www.fruct.org/sites/default/files/files/conference23/FRUCT23_Program_v1.pdf).

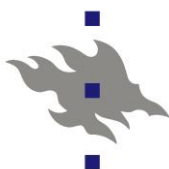

AMICT workshop invites full and short papers on various ICT areas, including:

- Theoretical and Applied Computer Science
- Software Engineering: Paradigms, Methodologies, Models
- Teaching Methodology in Computer Science
- Design of Distributed Applications
- Algorithms and Modeling

Publication: All submitted Full Papers will be peer reviewed by the technical committee of FRUCT 25<sup>th</sup> Conference. All accepted Full Papers will be included into IEEE Xplore and indexed by Scopus, ACM, RSCI/ПИИЦ (as journal publication), DBLP, etc. Selected papers will be recommended for CPCI indexing (Web of Science) and to IJERTCS journal. FRUCT is rated by many national libraries, e.g., Norwegian, Danish (BFIID8782540). The Full Papers proceedings included to DOAJ and Scimago Journal Rank <http://scimagojr.com/journalsearch.php?q=21100305223&tip=sid>.

For submission deadlines and other important dates please refer to the rules of FRUCT25 conference (<https://fruct.org/node/374573>). The papers submission and evaluation are conducted via FRUCT submission process: <https://www.fruct.org/node/374569>.

Conference news and other relevant details are available at <https://www.fruct.org/amict19>. If you get some questions that are not covered at the conference web page, feel free to send email to Olga Bogoiavlenskaia: [olbgvl@cs.karelia.ru](mailto:olbgvl@cs.karelia.ru)
